**UV SYSTEMS, INC.
PROPOSAL TO THE FMS MEMBERSHIP
FOR SUBSTANTIALLY DISCOUNTED UV DISPLAY LIGHTS FOR USE
AT THE TUCSON GEM & MINERAL SOCIETY SHOW IN 2021**

UV SYSTEMS, INC. PROPOSAL TO THE FMS MEMBERSHIP

FOR SUBSTANTIALLY DISCOUNTED UV DISPLAY LIGHTS FOR USE AT THE TUCSON GEM & MINERAL SOCIETY SHOW IN 2021

1. UV SYSTEMS, Inc. will provide, at a substantial discount, up to 30 Short Wave (SW) display ultraviolet lights for use in the fluorescent mineral displays at the 2021 Tucson Gem & Mineral Society (TGMS) show. The 2021 TGMS show should be bigger and better than **Tucson '96**. **This offer is to enable FMS members that do not have a display light to be able to display at Tucson 2021.**
2. The UV lights will only be SW and can be the single lamp (bulb) TripleBright 3 model FSLs light or the Dual TripleBright 3 model DFSLSS with two SW lamps. The special Tucson 2021 lights will be functional equivalent to production lights except for minor cosmetic changes such as color and feet. No Long Wave lights will be available.
3. These SW UV lights will be made available on a first-come first-served basis, and no more than 30, total, will be offered at this discount. All orders must be placed by January 31, 2020.
4. The discount will be approximately seventy (**70**) percent of the 2021 list price for a SW TripleBright 3 or SW Dual TripleBright 3 UV light. A 70% discount is far below actual cost to UV SYSTEMS, Inc. For example in August 2019 a SW TripleBright 3 model FSLs list price is \$1,251.00, but the discounted price **would only be \$379**. Another example is a SW Dual TripleBright 3 model DFSLSS with a list price of \$1,560.00, with the discount that **would only be \$469**.
5. Only paid up members of the FMS that have been members since January 2020 (or before) will be eligible. Only one discounted UV light per FMS member is allowed. **These lights are only for use in the display of the member requesting the discount. Sorry, we can't allow members to transfer their lights to others during the show. They must be used in a display of the member/purchasers own collection or the purchaser will be billed for the regular list price.**
6. FMS members that would like to order one of these UV lights must contact UV SYSTEMS, Inc. only by email or US mail, no phone orders or PM will be allowed. The following information is required when ordering; first and last name, permanent mailing address, a phone number, email address, your FMS membership number, and what model you want SW TripleBright 3 model FSLs, or SW Dual TripleBright 3 model DFSLSS. When your order is accepted a \$50.00 non-refundable* deposit will be required within 15 days. Other order requirements might be required later. Orders will be accepted 20 days after this notice appears in the UV Waves. UV SYSTEMS, Inc. will have final say as to which orders are accepted.
7. The 2021 list price for the SW TripleBright 3 model FSLs, or SW Dual TripleBright 3 model DFSLSS UV lights will be published by July 31, 2020.
8. Full payment (less the discount and deposit) must be made to UV SYSTEMS, Inc. before October 1, 2020 for any UV light purchased. Residents of the state of Arizona will be required to also pay AZ State Sales tax.
9. The specific model of UV light will be shipped to Tucson before the show setup date. No freight will be charged for shipping the lights to Tucson. The customer or a volunteer worker will assist in installing that special TripleBright 3 or Dual TripleBright 3 in your display.

10. After the TGMS show closes the customer can take possession of his or her UV light, but not before. Return shipping boxes will be available at an additional cost.
11. The terms of this contract can be modified at any time by UV SYSTEMS, Inc. providing that the customers have been given 20 days' notice beforehand.

UV SYSTEMS, Inc. is making this offer only to help the FMS attract more members to display at the TGMS show. Please respect our willingness to aid the fluorescent mineral collector community and work within our restrictions. Let's make Tucson 2021 the best display of fluorescent minerals the world has ever seen in one place!

** No refund unless there is a catastrophe event such as the death of the customer.*

UV SYSTEMS, INC.
PROPOSAL TO THE FMS MEMBERSHIP
TO RENT SW ULTRAVIOLET LIGHTS
TO USE AT THE TUCSON GEM & MINERAL SOCIETY SHOW IN 2021

UV SYSTEMS, INC. PROPOSAL TO THE FMS MEMBERSHIP
TO RENT SW ULTRAVIOLET LIGHTS TO USE AT THE TUCSON GEM & MINERAL SOCIETY SHOW IN 2021

1. UV SYSTEMS, Inc. will provide, for rental, up to 25 Short Wave (SW) display UV lights for use in the mineral displays at the 2021 Tucson Gem & Mineral Society (TGMS) show. We want the 2021 TGMS show to be bigger and better than Tucson '96. **This offer is to enable FMS members that do not have a display light to be able to display at Tucson 2021.**
2. The UV lights will only be SW and can be the single lamp (bulb) TripleBright 3 model FSLSS light or the Dual TripleBright 3 model DFSLSS with two SW lamps. No Long Wave lights will be available.
3. These SW UV lights will be made available on a first come first serve basis; however, no more than 25 will be offered for rent at this special price. All requests for rent must be made by January 31, 2020.
4. A Short Wave TripleBright 3 model FSLSS 2019 list price is \$1251.00, but **you can rent one for the four day show for \$195.** A Dual TripleBright 3 with two SW lamps (bulbs) model DFSLSS 2019 list price is \$1560.00, but **you can rent one for the four day show for \$295.**
5. After the TGMS show if you are interested in purchasing the SW filters (FS-60) and or the SW lamps (LS-60-254) that you used in your rental light contact UV SYSTEMS, Inc.
6. Only paid up members of the FMS that have been members since January 2020 (or before) will be eligible. There is no limit on how many UV lights that you can rent.
7. FMS members that would like to take advantage of this rental offer must contact UV SYSTEMS, Inc. only via email or US mail, no phone orders or PM will be allowed. The following information is required when renting; first and last name, permanent mailing address, a phone number, email address, your FMS membership number, and which models you want a SW TripleBright 3 model FSLSS or a SW Dual TripleBright 3 model DFSLSS. When your rental agreement is accepted a \$40.00 non-refundable* deposit will be required within 15 days. Other order requirements might be required later. Rental forms will be accepted 20 days after this announcement appears in the UV Waves. UV SYSTEMS, Inc. will have final say as to which rentals are accepted.

8. Full rental payment (less the deposit) must be made to UV SYSTEMS, Inc. before October 1, 2020 for any UV light rented. Residents of the state of Arizona may be required to also pay AZ State Sales tax.
9. The specific model of UV light will be shipped to Tucson before the show setup date. No freight will be charged for shipping the lights to Tucson. The customer or a volunteer worker will assist in installing that TripleBright 3 or Dual TripleBright 3 in your display.
10. After the TGMS show closes all UV lights will be collected and returned to UV SYSTEMS, Inc.
11. If the customer breaks or damages the rental UV light the customer will purchase that light at the 2021 list price.
12. The terms of this contract can be modified at any time by UV SYSTEMS, Inc. providing that the customers have been given 20 days' notice beforehand.

UV SYSTEMS, Inc. is making this offer only to help the FMS attract more members to display at the TGMS show. Please respect our willingness to aid the fluorescent mineral collector community and work within our restrictions. Let's make Tucson '21 the best display of fluorescent minerals the world has ever seen in one place!

** No refund unless there is a catastrophe event such as the death of the customer.*
